

# Accessoires de salle de bain

## Installation système dual

### Fixation mécanique

- Positionnez les points où percer.
- Vissez fermement la pièce de fixation dans chaque cheville.
- Insérez l'accessoire dans les pièces de connexion et fixez fermement avec la vis de réglage.

### Fixation adhésive

- Facile à appliquer, facile à retirer.
- Résistant à l'eau.
- Non toxique.

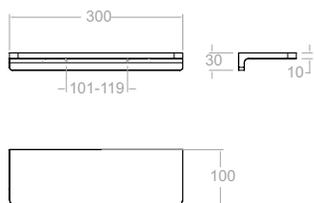

Sealant fix: plus besoin de percer les murs grâce à la colle Sealant Fix!

OPTIONNEL: Application des deux systèmes de fixation en même temps.
